

LIFE IMPACT MINISTRIES

WEEKEND COURSE

Introduction to the Prophetic and Prophetic ministry

Do you have a desire to sharpen your prophetic accuracy?
To grow in hearing God's voice with more clarity and consistency?
This training course will help you develop prophetically with greater confidence and effectiveness.

Friday 7.00pm – 9pm

Session 1 – Exploring the Prophetic. This fun and enlightening session includes teachings on the operation and outworking of the Prophetic gift and role of the Prophets call. This introductory level evening is an absolute must for anyone who desires to grow in the Prophetic regardless of experience. This session includes prophetic activations.

Saturday 9:15am to 4.30pm

Session 2 – 5 reasons why we receive a word from God. This key foundational teaching is essential for establishing sound stewardship of the Prophetic inspirations we receive both in believer's life and within a church community/congregation setting. This session will include prophetic activations

Session 3 – Old testament vs New Testament Prophetic ministry. This session presents the difference between Old Testament prophetic operation and New Testament prophetic ministry. This session includes prophetic activations.

Session 4 – 'What is a false prophet'. This key teaching looks at Biblical examples of false prophetic operation and what good stewardship of our prophetic inheritance looks like in a New Testament setting. This session includes prophetic activations.

Session 5 – 'Moving IN the Prophetic vs moving FROM the Prophetic'. This motivating and freeing teaching presents key applications for our daily lives in both influencing and connecting prophetically with the world around us. This session will include key strategic activations.

Cost: \$35 – This price includes: The 5-session event training and a full course manual

Venue: Hope Centre Levin

Date: 18th and 19th October
